## CHAIRMAN'S NOTES

Good Afternoon and welcome to Freeway Park for today's United Counties League fixture with promotions favourites Peterborough Sports for whom we wish the players, officials and supporters and enjoyable visit but not too much!

Today represents one of the biggest challenges our young charges will face this season. We've already seen The Poachers rise to the challenge when playing some of the more established teams in the division this season and today represents another opportunity to show how far we've come this season. Peterborough Sports won Division One last year and seem set on achieving a similar feat this year so it's not going to be easy but I know the lads are relishing the opportunity to show what they can do.

In my last programme notes I gave a warm welcome to Dave Williams who rejoined the coaching staff having previously been at Freeway Park a couple of years ago and I'm delighted to say Owen Wright who was on the staff last season rejoined the club just before the last home game against Peterborough Northern Star. Dave Clay has taken sole responsibility as First Team Manager and he's relishing the opportunity and has a good backroom team now in place. I'm sure I speak on behalf of everyone connected with the club in wishing them all well.

Alan Lathwell  
Chairman

# MANAGERS NOTES

Good afternoon and a warm welcome to the players, officials and supporters of our visitors Peterborough Sports.

No one can deny that we are facing one of, if not the toughest team the UCL has to offer this season. It's going to be a big test that's for sure but rest assured our young team will be giving it their all for you this afternoon.

This is after all just one fixture in many over the season and as the lads have proved they are capable of getting results. We need to remember this and also remember the overall goal which is to be playing our football in the UCL Premier Division next season as well. To help us on our way we welcome back to Oadby Owen Wright who has come on board in a coaching capacity. Owen is a familiar face to many of you I'm sure and is a solid addition to help support and nurture our youthful squad.

Your support has also been vital to helping us along this season. All of us here at Oadby Town appreciate the efforts you put in both home and away and your willingness to take the rough with the smooth on this journey is very much appreciated.

Enjoy the game and have a safe journey home.

# OUR VISITORS

The club was established in 1919 as Brotherhoods Engineering Works, and joined the Northants League (which later became the United Counties League) for the 1919–20 season. The club won the league in their first season, but left at the end of the 1922–23 season. They transferred to Division Three of the Peterborough & District League, which they won in 1925–26, earning promotion to Division Two.

The club was dormant in 1929–30 and 1932–33, after which it dropped into Division Three North. Despite only finishing eleventh in 1936–37, the club were elevated to Division Two for the 1937–38 season. After World War II the club were placed in Division One, where they remained until finishing bottom of the table in 1948–49, resulting in relegation to Division Two. In 1952 the division was renamed Division One as the division above became the Premier Division, but the club finished bottom in 1952–53 and were relegated to the new Division Two. In 1963–64 they were relegated again to Division Three South, but returned to Division Two after a single season.

In 1973–74 the club was relegated to Division Three South for a second time, but returned to Division Two after winning the division in 1975–76. Relegated again in 1979–80, the club returned to Division Two at the first attempt as Division Three South champions, and were promoted to Division One at the end of the 1982–83 season after finishing third.

The 1987–88 season saw the club finish as Division One runners-up and earn promotion to the Premier Division. In 1999 the club changed its name to Bearings Direct, and then again in 2001 to Peterborough Sports.

The club's most successful year came in the 2006/07 season when both the Peterborough Premier Division and Northants Junior Cup were secured for the only time in the club's history and in season 2010/11 the club secured its first ever PFA trophy when lifting the Challenge Cup as they were promoted back to the Peterborough League Premier Division. In 2012–13 Sports were promoted to Division One of the United Counties League after finishing third.

The club badge and turbines nickname pays homage to the club's roots with Brotherhoods Engineering Works, famous for designing and manufacturing the world's first steam turbine engine.

## UCL ROUND UP

PETERBOROUGH SPORTS kept top spot with a resounding 4-1 home victory over local rivals Deeping Rangers. Early sub Stuart Eason bagged two of the goals, with Jordan Mcleod and Avelino Vieira scoring one each and Scott Coupland replying for the visitors. An own goal and a late strike by Jordan Lever gave Kirby Muxloe a 2-0 home win over Wellingborough Town. Northampton ON chenecks became the latest side to hammer hapless basement club Huntingdon Town. On target for the hosts with two goals each were Adam Spalding and Ben Diamond, while Ashley Ogden grabbed one.

Yaxley returned from Leicester Nirvana with a 2-0 victory thanks to goals from Stuart Wall and Dan Cotton. Boston Town's misery near the foot of the table was deepened by a 4-1 defeat at Cogenhoe United. Matt Long grabbed a first half hat-trick and Sean McBride grabbed the fourth. Oadby Town returned from Peterborough Northern Star with a 2-1 win, thanks to goals from Carlton Beardmore and Harry Alcock.

Jason Turner, Will Arnold and Alan Davies were on target for Desborough Town in their 3-2 win at Sleaford Town. Hosts Harborough Town beat Rothwell Corinthians 2-1, second-placed Eynesbury Rovers were held to a 4-4 draw at Northampton Sileby Rangers and, in the Capital knockout Cup, Holbeach United lost 4-2 at home to Olney Town from the lower division.

# THE HOPPING CHAIR

Club Chairman Alan Lathwell details his visits to Non-League grounds around the country.

13.1.17 Southwell City 3 Sherwood Colliery 1  
Central Midlands Football League  
Admission Free  
Programme £2  
Pint of Bombardier £3  
Att: 85 (counted by myself)

A visit to the very picturesque Minster town in Nottinghamshire better known for horse racing than football. This was a very entertaining game at Bishops Drive. It was a bitterly cold evening and it was the away team that started brightly taking the lead in the early stages with a neat finish low to the keepers left from around 12 yards.

Sherwood were much the better side during the first half having much of the play and with better decision making and finishing could have wrapped the game up before halftime. Southwell worked their way back in to the game with persistence from Dalton Stephens on 36 mins being rewarded with the equaliser.

The home team were much the stronger side in the second half and took the lead midway through the second period with a free kick from the edge of the box by Chris Jackson finding the bottom corner. 2-1. The points were sealed in the final minute when Dalton Stephens rounded the keeper before finishing well to seal the points.

## THE FOOTBALL FAMILY

Towards the end of 2016 club secretary Kev Zupp shared the Facebook page of Arjan Wijngaard, a Netherlands based collector of football shirts from around the world. Arjan had expressed an interest in adding some English non-league clubs to his collection and so we got in touch. Arjan purchased two of our replica shirts from past seasons and recently sent over some images of one of the shirts surrounded by a small portion of the collection.

Arjan started the collection in 1997 and since then it has grown to almost 2000 shirts! Whilst there are a huge number of different clubs represented Arjan's website states that his favourite teams are Fc Groningen, Feyenoord and Everton. As a result these clubs have their own sections on the site as there are so many different items relating to these clubs.

To view the ever expanding collection visit [www.voetbalshirts.org](http://www.voetbalshirts.org)

and give the Facebook page a like for updates on the collection and other football related posts at [www.facebook.com/voetbalshirts.org](https://www.facebook.com/voetbalshirts.org)
